

# Join the Placer Nature Center Team!

Become a docent!

## PLACER NATURE CENTER'S DOCENT TRAINING

Fall 2011

By taking Placer Nature Center's Docent Training, you will learn the natural history and cultural science programs we share with school children who visit our site on school field trips. You will build the skills you need to teach these programs to the children yourself! You'll also become part of a wonderful community of friends who volunteer for Placer Nature Center.
