

# TEEN VOLUNTEERS NEEDED!

Placer Nature Center is looking for teens to help facilitate their Footsteps to Summer Fun nature day camp program.

- Do you want to enrich your leadership skills?
- Do you want to earn community service hours?
- Do you want experience working with children?
- Do you want to have fun and learn at the same time?

If you answered **yes** to any of these questions, then consider helping out at Placer Nature Center this summer.

**Teen camp counselors** guide the camp participants through nature investigations, nature games and crafts and lead nature songs and puppet shows for the children. Fun is had by all while learning about the natural environment. The Footsteps to Summer Fun nature day camp runs for 5 weeks during the summer from 9:00 a.m. to 1:00 p.m. Teens can choose one or several weeks to help out. Teen helpers must be 13 years or older to participate. **A 2 day training workshop is required from 9:00 to noon on June 8<sup>th</sup> and June 9<sup>th</sup>.** At this workshop teens will become familiar with the camp activities, the nature trail and their roles as camp counselors.

**Last year's teens contributed over 2000 volunteer hours** in our most successful summer camp ever. If you can come to the training and are available to help out during one or more of these weeks, please call Linda at 530-878-6053 or email [linda@placernaturecenter.org](mailto:linda@placernaturecenter.org).
